

Application for Groundwater Exploration Permit

Freedom of Information and Protection of Privacy

Personal information on this form is collected under section 31(c) of the *Freedom of Information and Protection of Privacy Act* as it relates directly to and is necessary for an application for a permit under section 6 of the *Environmental Protection Act* Water Well Regulations to construct a well to explore for a groundwater source. If you have any questions about this collection of personal information, you may contact the Manager of the Water and Air Monitoring Section, 11 Kent Street, Charlottetown, PE C1A 7N8, (902) 368-5054.

Please supply as much information as possible.

Incomplete forms may be rejected, returned or result in a delayed response.
