SCHEDULE

FORM 1

**NOTICE OF INTENTION TO DESIGNATE AN ARCHAEOLOGICAL SITE AS A
PROTECTED ARCHAEOLOGICAL SITE**

TAKE NOTICE THAT I, the Minister of Communities, Cultural Affairs and Labour for the Province of Prince Edward Island, intend to designate the following archaeological site as a protected archaeological site, as described in the attached legal description, in accordance with the Act and the regulations:

.....
(street or road name and number)

.....
(municipality)

.....
(property number)

.....
(owner's name)

I am satisfied that in accordance with the Act and the regulations, this site represents a significant archaeological feature in Prince Edward Island and I intend to designate this site, including all land appurtenant to it, as a protected archaeological site on or after, to be protected under the authority of the Act.

Where a site is designated as a protected archaeological site, no person shall build on or undertake works that may affect any site designated under the Act without a permit. By the authority of section 4 of the regulations, no person shall change or alter the site or area for a period of 120 days from the date of service of this notice, unless this notice is otherwise cancelled under the Act or the regulations.

Any prescribed person or interested or affected party likely to be effected by the intended designation order may object to the intended designation by serving a notice of objection to a protected archaeological site designation within 30 days of the date of the publication of this Notice in the Gazette. Service of a notice of objection to a protected archaeological site designation must be made on me, in care of:

Archaeology Coordinator
Division of Culture, Heritage, and Libraries
Department of Communities, Cultural Affairs and Labour
P.O. Box 2000, Charlottetown, PE C1A 7N8.

A notice of objection to a protected archaeological site designation form may be obtained from that office.

If a notice of objection to a protected archaeological site designation is served upon me within the prescribed time, I am required to proceed in accordance with subsection 6(2) of the regulations. If no notice of objection to a protected archaeological site designation is served as prescribed, I may proceed with the designation in accordance with subsection 6(1) of the regulations.

DATED at Charlottetown, this day of,

EXPLANATORY NOTES

SECTION 1 is the definition section.

SECTION 2 outlines the criteria to be applied by the Minister in determining whether to make an order designating an archaeological site as a protected archaeological site.

SECTION 3 defines the persons who are the prescribed persons for the purposes of the Act and these regulations. The provision also outlines the requirements for and contents of a notice of intention to designate an archaeological site as a protected archaeological site.

SECTION 4 prohibits the alteration or destruction of an archaeological site for a period of 120 days after the date of a notice of intention to designate an archaeological site as a protected archaeological site has been served and published.

SECTION 5 outlines who may file a notice of objection in respect of an archaeological site that is proposed to be designated as a protected archaeological site, as well as the requirements for filing a notice of objection to the proposed designation.

SECTION 6 outlines what the Minister may do in circumstances in which either a notice of objection in respect of an archaeological site that is proposed to be designated as a protected archaeological site is filed or where no notice of objection is filed.

SECTION 7 provides for the temporary designation of an archaeological site as a temporarily protected archaeological site and outlines the circumstances in which the Minister may cancel a temporary designation order.

SECTION 8 provides for an appeal to the Island Regulatory and Appeals Commission by the owner of the parcel of land containing an archaeological site in respect of the designation of an archaeological site as a protected archaeological site.

SECTION 9 authorizes the Minister to cancel an order designating an archaeological site as a protected archaeological site in the described circumstances.

SECTION 10 outlines the requirements for an application for an archaeological permit and requires consultation with aboriginal groups, where an archaeological site is likely to be of significance to the aboriginal community.

SECTION 11 outlines the requirements for an application for a work permit.

SECTION 12 outlines the circumstances in which an archaeological permit or a work permit is valid, and requires the holder of such permit to produce the permit to the Director, upon request.

SECTION 13 provides for the amendment of an archaeological permit or a work permit.

SECTION 14 outlines the requirements for the submission by an archaeological permit holder or a work permit holder, after the expiry of such permit, of a final project report that is to be submitted to the Minister in respect of newly discovered archaeological sites. The final project report is to include information in respect of all revisits to known archaeological sites.

SECTION 15 provides for the commencement of these regulations.

**HIGHWAY TRAFFIC ACT
COMMERCIAL VEHICLE (TRIP INSPECTION AND RECORDS)
REGULATIONS AMENDMENT**

Pursuant to subsection 148(1) of the *Highway Traffic Act* R.S.P.E.I. 1988, Cap. H-5, Council made the following regulations:

1. Section 1 of the *Highway Traffic Act* Commercial Vehicle (Trip Inspection and Records) Regulations (EC225/89) is amended

(a) in clause (b), by the addition of the words “means a commercial vehicle” after the words “commercial vehicle”; and

(b) by the addition of the following after clause (c):

(c.1) “major defect” means a major defect listed in Column 3 of Schedule I, II or III or in Column 2 of Schedule IV; major defect

(c.2) “minor defect” means a minor defect listed in Column 2 of Schedule I, II or III; minor defect

(c.3) “motor coach” means a bus of monocoque design, designed to provide intercity, suburban, commuter or charter service and equipped with air ride suspension, air brakes, automatic brake adjusters and under-floor baggage storage; motor coach

2. Section 2 of the regulations is amended by the deletion of the words “This Part does not apply to” and the substitution of the words “The following vehicles are exempt from the inspection requirements outlined in these regulations:”.

3. Subsection 3(1) of the regulations is amended by the deletion of the word “his” and the substitution of the words “the driver’s”.

4. Sections 4 and 5 of the regulations are amended by the deletion of the words “Schedules I and II” and the substitution of the words “Schedules I to IV”.

5. The regulations are amended by the addition of the following after section 5:

5.1 (1) Schedules I to IV apply to the inspection of the following commercial vehicles: Inspection schedules

(a) Schedule I applies to the daily inspection of trucks, tractors and trailers drawn by a truck or tractor;

(b) Schedule II applies

(i) to the daily inspection of buses designed, constructed and used for the transportation of passengers with a designated seating capacity of more than 10, including the driver, but excluding its operation for personal use, and

(ii) to any trailer towed by a bus;

(c) Schedule III applies to the daily inspection of motor coaches;

(d) Schedule IV applies to the under-vehicle inspection of a motor coach, which is valid for 30 days or 12,000 kilometres, whichever occurs first.

(2) Every person who conducts a daily inspection of a commercial vehicle or trailer shall ensure that the inspection includes an inspection of every system and component listed in Column 1 of the appropriate daily inspection schedule. Inspection of systems and components

(3) Every person who conducts a daily inspection of a commercial vehicle or trailer shall ensure that the inspection is adequate to determine whether there is a minor defect or a major defect as set out in Column 2 or Column 3, as the case may be, of the appropriate daily inspection schedule. Minor or major defect

(4) A daily inspection of a commercial vehicle or trailer is valid for 24 hours. Validity of inspection

(5) A daily inspection of a motor coach conducted in accordance with Schedule III is not valid unless an under-vehicle inspection of the motor coach has been conducted in accordance with Schedule IV, and the under-vehicle inspection is still valid. Under-vehicle inspection

(6) Every person who conducts an under-vehicle inspection of a motor coach shall ensure that the under-vehicle inspection includes an inspection of every system and component listed in Column 1 of Schedule IV. *Idem*

(7) Every person who conducts an under-vehicle inspection of a motor coach shall ensure that the under-vehicle inspection is adequate to determine whether there is a major defect as set out in Column 2 of Schedule IV. *Idem*

(8) Every person who detects a defect in an under-vehicle inspection of a motor coach shall ensure that the defect is repaired before the motor coach is driven or operated. *Idem*

(9) Every defect detected in an under-vehicle inspection of a motor coach must be repaired before the motor coach is driven or operated in order for the under-vehicle inspection to be considered complete. *Idem*

(10) An under-vehicle inspection of a motor coach *Idem*
 (a) must be conducted while the vehicle is positioned over a pit or raised in a manner that provides adequate access to all of the applicable vehicle components; and
 (b) must be conducted by a person who holds the technician certification or qualification required in the province.

(11) An under-vehicle inspection of a motor coach is valid *Idem*
 (a) until the 31st day after the date the under-vehicle inspection is conducted; or
 (b) until the motor coach has been driven 12,000 kilometres, whichever occurs first.

6. The heading immediately before section 10 of the regulations and sections 7 to 10 of the regulations are revoked and the following substituted:

PART II INSPECTION REPORTS

7. (1) A person conducting an inspection of a commercial vehicle in accordance with Schedule I, II or III shall prepare an inspection report, in writing, or in an equivalent electronic format, that contains the following information: *Report to be completed*

- (a) the licence plate, VIN or unit number(s) of the vehicle(s);

EXPLANATORY NOTES

SECTION 1 corrects minor wording to the definition for “commercial vehicle” and adds new definitions to the definition section of the regulations.

SECTION 2 clarifies the types of vehicles to which these regulations do not apply.

SECTION 3 corrects wording so the provision is gender neutral.

SECTION 4 amends the references to the Schedules in sections 4 and 5 of the regulations. The Schedule references are changed from Schedule I and II to Schedules I to IV.

SECTION 5 adds a new provision outlining the commercial vehicles to which Schedules I to IV apply.

SECTION 6 revokes and replaces the provisions dealing with the required information to be included in commercial vehicle inspection reports that are prepared by a person who is conducting an inspection of a commercial vehicle in accordance with:

- (1) Schedule I, II or III of the regulations; or
- (2) Schedule IV of the regulations.

The provision also revokes and replaces the sections in the regulations dealing with commercial vehicle inspection reports. An exemption is provided from the requirements to prepare inspection reports in the case of a driver of a truck, tractor and trailer that is being operated within a radius of 160 kilometres of the location at which the driver reported for work if the driver is to return to that location and be released from work.

SECTION 7 corrects the appropriate references to the sections being referred to in the provision. The provision is also updated to provide for the requirement to complete more than one inspection report.

SECTION 8 corrects wording so the provision is gender neutral.

SECTION 9 revokes and replaces the Schedules to the regulations.

SECTION 10 provides for the commencement of these regulations.

2.(1) The *Wildlife Conservation Act* Wildlife Management Areas Regulations (EC225/00) are revoked. Revocation

(2) The *Fish and Game Protection Act* Wildlife Management Area Regulations (EC1203/66) are revoked. *Idem*

3. These regulations come into force on April 4, 2009. Commencement

EXPLANATORY NOTES

The amendment revokes the Wildlife Management Area Regulations that were made pursuant to the former *Fish and Game Protection Act*, which is repealed. The revoked regulations are substituted and are added to the Wildlife Management Areas Regulations made pursuant to the *Wildlife Conservation Act*, which replaces the former *Fish and Game Protection Act*. What were once two sets of regulations dealing with wildlife management areas made under two separate statutes, are now joined under the current and appropriate *Wildlife Conservation Act*, which remains in force.
