2017 - 2018 Apprenticeship Training Schedule

- **Class schedule will be adjusted depending on response. If you do not respond by October 9th, you are not guaranteed a seat in training this year.**
- **Classes that do not have the minimum number of students required may be cancelled or combined with other classes where possible.**
- **Apprentices and employers should discuss the schedule before the apprentice registers for training.**
- **To register for training, the “Apprenticeship Block Release Enrollment Form” must be returned to our office. There is an option to submit the form online as well as a printable application. Phone calls to register for training will not be accepted. The enrollment forms can be found under “Apprenticeship In-school Training” at www.apprenticeship.pe.ca**

Classes will only be held if a sufficient number of apprentices register.
