

Weekly Agriculture Market Report

Volume 3 Issue 1
January 6, 2022

The Weekly Agriculture Market Report provides a summary of agricultural commodity prices. The report is usually published every Friday with updated prices (when available). The report allows monitoring of the weekly changes in agricultural commodity prices. The prices are obtained weekly from several sources.

Notes:

- All figures in Canadian dollars.
- Dates of reporting vary. Weekly reports updated with most recent available prices.
- The Department of Agriculture and Land does not assume any responsibility for errors, omissions or otherwise. The information in this report is for general purposes only. You should not rely on this information for making any business, legal or any other decision.
- FOB means Free on Board

Legend:

-  Price increase
-  No change
-  Price decrease
- NA Not available, or data cannot be used for comparison purposes

Weekly Agriculture Market Report

Volume 3 Issue 29
July 21, 2022

The Weekly Agriculture Market Report provides a summary of agricultural commodity prices. The report is usually published every Friday with updated prices (when available). The report allows monitoring of the weekly changes in agricultural commodity prices. The prices are obtained weekly from several sources.

Notes:

- All figures in Canadian dollars.
- Dates of reporting vary. Weekly reports updated with most recent available prices.
- The Department of Agriculture and Land does not assume any responsibility for errors, omissions or otherwise. The information in this report is for general purposes only. You should not rely on this information for making any business, legal or any other decision.
- FOB means Free on Board

Legend:

-  Price increase
-  No change
-  Price decrease
- NA Not available, or data cannot be used for comparison purposes
