

# Weekly Agriculture Market Report

**Volume 5 | Issue 23**  
**September 27, 2024**

The Weekly Agriculture Market Report provides a summary of agricultural commodity prices. The report is usually published every Friday or the following Monday (depending on the availability of the data on which the report is based) with the most recent updated prices. The report allows monitoring of the weekly changes in agricultural commodity prices.

## Notes:

- All the prices in this report are in Canadian dollars.
- Prices are obtained from various sources.
- Market prices for some commodities are updated on a daily, weekly, or monthly basis. Weekly reports are updated with the most recent available data.
- The Department of Agriculture does not assume any responsibility for errors, omissions, or otherwise. The information in this report is for general purposes only. You should not rely on this information for any business, legal, or other decision.

## Legend:

-  Price increase
-  No change
-  Price decrease
- NA Not available, or data cannot be used for comparison purposes.
